

Logging in to NKODA

If you already have an NKODA account:

1. Make sure you are connected to the LMTA Wi-Fi network or EZproxy (if accessing from home).
2. Open the special LMTA link: <https://app.nkoda.com/institutions/b4eb3637-8290-4b13-91f3-b22c798cd833>
3. Click “Log In” in the top right corner.
4. Enter your existing NKODA login credentials.
5. In the window that opens, confirm your institutional membership by clicking “Yes.”
6. Install the NKODA app if you have not already done so.

If you do not have an NKODA account yet:

1. Make sure you are connected to the LMTA Wi-Fi network or to EZproxy (if accessing from home).
2. Open the special LMTA link: <https://app.nkoda.com/institutions/b4eb3637-8290-4b13-91f3-b22c798cd833>
3. Click “Get Started” and complete the registration form.
4. When the institutional membership confirmation appears, click “Yes”.
5. Install the NKODA app on your device.

Important to know:

1. The special LMTA link only needs to be used the first time, for registration.
2. Afterwards, you can access NKODA directly through the NKODA app or via the standard login page [here](#).
3. The browser version is for browsing only; you will need to download the app for PC or mobile phone/tablet to view full music sheets.

Video tutorial on how to activate your account can be found [here](#).

If you are unable to log in or have any questions, please contact us at biblioteka@lmta.lt.
